

MSDS

**SECTION I : Product and Contact Information**

Product Name: SFC Flowable Composite  
MSDS Number: 00102  
Date of Issue: 4/22/2013  
Date of Revision: None  
Company Identification: Company: **SFC, LLC**  
172 North Plains Industrial Road, Wallingford CT 06492, USA  
Ph: 203.907.9554  
[info@sfcidental.com](mailto:info@sfcidental.com)

**SECTION II : Composition/Information on Ingredients**

Barium-borosilicate glass fillers, mixture of dental resins, initiators and pigments

**SECTION III : Hazard Identification**

Risk identification: None known  
Classification: None Known. Do not use for patients who are allergic to methacrylate resin

**SECTION IV : First Aid Measures and Health Hazard Information**

Skin contact: Flush with water; consult physician in case of lasting noticeable skin response  
Eye contact: Flush immediately with copious amount of water, consult a physician if irritation or disturbance in vision occur.  
Inhalation: If overexposure occurs and symptoms appear, consult a physician  
Ingestion: If substantial quantities are involved, immediately consult a physician.  
Carcinogenicity: None known  
Sign/Symptoms of Exposure: Irritation, Dyspepsia, Nausea and Vertigo

**SECTION V : Fire Fighting Measures**

Extinguishing media: Water, chemical foam, carbon dioxide or dry chemical  
Protective equipment: Wear protective clothing and breathing apparatus

**SECTION VI : Stability and Reactivity**

Stability: Stable under normal condition  
Hazardous decomposition: Carbon monoxide and dioxide, low molecular weight hydrocarbons  
Hazardous polymerization: None known.  
Incompatibility: Strong acid, Peroxides and other strong oxidizing agents.  
Conditions to avoid: High temperature, direct sunlight and high intensity light

**SECTION VII : Safe Handling and Use**

Handling precautions: Keep the container closed all the time after use  
Safe storage conditions: Avoid storage at elevated temperature

**SECTION VIII : Physical and Chemical Properties**

Appearance: Pastes of different shades  
Odor: Faint resin odor  
Solubility: Negligible  
Melting point: Not established  
Vapor density: Not established  
Density: About 2.0 gm/cc

**SECTION IX : Control Measures**

Ventilation system: Not required  
Skin and eye protection: Not required if handled with caution

**SECTION X : Other Information**

The information and recommendations herein are presented in good faith and believed to be correct. However, no warranties, either expressed or implied, can be made, and we assume no liability resulting from the use of this product. The persons receiving the product will make their own determination as to its suitability for their purpose before use.
